MEASURES FOR CURBING THE MENACE OF RAGGING

33. Ragging of the students particularly when they are admitted afresh to this College is illegal and completely forbidden. It is punishable with fine, or even expulsion from the college and also prosecution. Ragging is defined amongst others as, “Display of disorderly conduct, an act of causing physical and physiological harm or causing apprehension of fear or shame or embarrassment. The definition also includes, “teasing, abusing, threatening, playing practical jokes or asking students to perform something the student in ordinary course would not do”. It further includes causing injury, degrading, humiliating a fellow student and causing distress of mind or spirit.

34. Filling of documents online
a. It is mandatory for every student and his/ her parents to submit an anti ragging affidavit at the time of first admission and thereafter each year at the time of annual registration. These are UGC’s regulations.

b. It is the order of the Hon. Supreme Court that contact details of students must be collected from these affidavits and stored electronically at a central location.

c. Till now each college collected such information. But it was not stored in any central location. But this year the Ragging Prevention Program developed an ON LINE procedure for downloading anti ragging affidavits. As a result college authorities do not have to collect information separately and compile it. It will save a lot of their time and energy.

d. It is a simple procedure comprising of Three steps
Step 1: Log on to www.ANTIRAGGING.in or www.AMANMOVEMENT.org. Click on the button called - On line affidavits.
Step 2: Fill in the information as desired and submit the form.

Step 3: On successful completion you will receive affidavits, both for Students and Parents, through E mail. If you do not have an E mail address please create one before you log in. If your parents do not have an E-Mail/Mobile/ Landline Phone number please do not panic. You can give those of your friends or relatives. There is absolutely nothing to worry.

e. If you make a mistake while submitting your form you can start afresh and submit the information again. There is no problem. It is a very easy process.

35. At the time of admission, certain students will be asked to give certificate from Medical Doctor regarding his/her behavioral pattern. The College authorities will keep strict vigil on suspect students.

36. Hostel warden shall maintain discipline as well as utilize softer skills for counseling and communicating with the youth outside the class room situation. Wardens shall be accessible at all hours and shall have mobile phone. Management shall review and suitably enhance the powers given to hostel wardens and authorities involved in curbing the menace of ragging.
