We have Hi-tech internet system for the entire college complex. We also have adequate number of Desktop Computers installed in the Computer Club, Boy’s Hostel and Girl’s Hostel. Needless to say, that computer literacy is an important aspect in the life of the student. It helps to acquire knowledge, about latest/updated procedures in various fields in general and in dentistry in particular. It is, therefore, mandatory for every student to become a member of the Computer Club.

44. We have very nominal charges i.e. Rs. 16,000 per annum per student. This also meets the directions given out both by Dental Council of India and Baba Farid University of Health Sciences on the Computer Education to the students.
